

CLASS OF 2019

Scott M. Harrell

Scott Harrell is the owner of Home Instead Senior Care in Tallahassee, a local company focusing on in-home senior care services. While in college, he joined the company as a caregiver and quickly found his passion for helping others. He began learning all aspects of the family-owned business and gained valuable experience as a Recruitment + Retention Coordinator and Staff Coordinator before overseeing the local office beginning in 2004.

An active member of the community, Scott currently serves on the board of directors for several community organizations, including Capital City Youth Services, Tallahassee Senior Citizens Foundation, and Big Bend Hospice. He also serves on the TCC Foundation's Finance & Investment Committee - beginning his second term in 2019.

Scott and his wife Allison established a scholarship at TCC to provide funding to students seeking careers in the healthcare field. This scholarship has supported three students since its inception in 2017. They are also helping provide for student success by funding the renovation of a math classroom on TCC's main campus.

When Scott is not in the office, he is spending time with Allison, and their two children, Caden and Ensley.
