

# How to access Smarthinking Online Tutoring

**Smarthinking** is an academic support program that provides **24/7** online tutoring in Math, Science, Writing, and much more! You can access **Smarthinking** in two ways:

## Canvas

## Learning Commons Website

**Step 1:** Log in to Canvas (<https://tcc.instructure.com/login/ldap>).

**Step 1:** Go to Learning Commons' home page (<http://www.tcc.fl.edu/learning-commons/>) and click **Explore** on the Virtual Resources square.

**Step 2:** In Canvas, look for **Smarthinking Online Tutoring** button on the left hand navigation bar.

**Step 2:** Use your TCC e-mail and password to log-in to **Smarthinking Online Tutoring** platform.

**Step 3:** Congrats, you are in **Smarthinking** student portal now! Select your choice of four pathways to get the assistance you need.
